Comments

Service born in May 2003 from the merger of the Mexico and Peru relay services

> October 2005 - The four 1,100-1,200 teu ships have been replaced by 1,500-1,700 teu ones (capacity increased by 40%) then reduced to 3 x 860 teu - rotation altered.

> June 2009 - The three 860 teu ships are replaced by three units of 1,300-1,700 teu averaging 1,450 teu

> Oct 2009 - Fourth week/ship added.

> Jun 2011 - Capacity boosted from 1,700 teu to 2,500 teu.

> Jan 2012 - MSC started to buy slots on LA-Mexico (both legs) and on LA-Balboa (southbound).

> May 2012 - Evergreen starts to take slots on the on the following ports : Manzanillo (Mex) ... Puerto Quetzal, Acajutla, Corinto ... Puerto Caldera ... Manzanillo (Mex).
